

Teacher Wish List

The Teacher Wish List is an easy way for our wonderful Sig staff to tell us what they want/need for the school/classroom. I try to update the list about every 6 weeks or so, so please check it frequently for updates and changes.

Items # 10-18 are those that are always in need and used by the entire staff.

If you can help with any of these items, either new or gently used...or money towards the purchase of these items, please contact me at murphy1@wowway.com or 490-1405. Thanks, Patti Murphy
