

PARENTS AND STUDENTS

TO AVOID TRAFFIC JAMS AND TO KEEP THE TRAFFIC MOVING ON MAIN STREET, PLEASE OBSERVE THE FOLLOWING:

- Do not to arrive and park along Main Street before 3:15 pm. Parents may want to avoid picking up students on Main Street and designate another location for pick up.
- To pick up students, parents should pull up (west) of Signature School - perhaps even to the Science Center - or around the corner on Sixth Street.
- Students need to move west on the sidewalk - away from the front door - to pick up their ride.
- Students need to watch for their ride and get to the car as quickly as possible
- Students should not jay-walk across Main because the drivers stop to let them cross, and this holds up traffic.

Your cooperation and support will be helpful in minimizing traffic jams during the construction of the Arena.
