

COMMUNITY PARTNERS (updated 5/19/2016)

If you want to serve an organization not on this list or you are not sure if something will count, apply for prior approval with the person responsible for logging your service:

Ms. Doyle

Remember:

- We define community service as real, purposeful activities with significant outcomes donated to a non-profit.
- Patient interaction is preferred at the hospitals, but not required beginning fall '13.
- All services to organizations that you are members of and/or tryout for do NOT count towards the 25 hours required by Signature.

IMMEDIATE NEED

In the event of a fire, natural disaster, death in the family, etc., special relief organizations are formed. Students may participate in the cleaning/fundraising efforts.

Hospital work with patient/family interaction is strongly encouraged. Gift shop work will count.

Signature work for any staff member (school-related)
